

Pulborough Village Transport Plan

Communication Statement # 3

Following its formation in December 2008, The Pulborough Village Transport Plan Group has now identified a number of highways and transport issues in the village and these will be shown at the Draft Village Transport Plan public exhibition in the Village Hall on the 26th June (between 6pm and 10pm) and the 27th June (between 9am and 3pm). For those of you who cannot attend, it is proposed that the exhibition plans will be available to view on-line at Dean Smith's website www.pulboro.org/.

A Pulborough Residents Survey questionnaire was also distributed at the recent Pulborough Parish Open Meeting encouraging residents to provide feedback on the Draft Village Transport Plan, or highlight any other highways and transport issues in the village which may not be included in the Draft Plan. Comments should be returned to the Parish Office by the 17th July where they will then be collated for further consideration by the group. It is intended that the priorities identified by the group will be incorporated into the future Pulborough Community Action Plan which is currently under preparation.
