

THE DAY TO HAVE YOUR SAY

2nd August

Saturday the 2nd August is the day when plans that will shape the future of Pulborough will be on display.

The display, which is available for viewing all day, in the Village Hall, will show the project plans to deal with the issues that people in Pulborough have said are important to them together with a vision of how the village should develop.

Everyone is welcome to visit, comment and question what is planned. All ideas and views will be taken and reflected in revised plans.

The projects cover transport, environmental, economic, social and community issues; the displays will cover all these areas.

The project displays will show what can be achieved, why they are important and what those involved think it will take to get a successful result.

The projects are the result of a funded initiative by the Countyside Agency.

This Initiative presents a unique opportunity for Pulborough village to shape its own future and secure some funding to achieve it; however the key to making it happen is that people from the village become involved.

If you wish to know more about this Initiative, or would like to be involved in any way, please contact Jim Shaw on 01798-813978.
